---

In 2001 the Golf Classic was renamed for Michael Bradley Finnegan, who was tragically taken from us on September 11, 2001. A wonderful son, brother, husband, father and friend. Michael was an avid golfer having won the Ulster County Men's Championship as a senior in high school. That summer, he became the first chair of this golf tournament, prior to leaving for college.

*All proceeds of the tournament will be used to support programs and services to cancer patients in our community in conjunction with the HealthAlliance Foundation.*

---

There will be a single low-gross prize in each division for men. The winning team in Men's Division I will receive the Finnegan Cup. The remaining fields will compete against each other for net prizes. Women will compete in one Division for a gross and net prize.
